REMARKS

This is UNEVALUATED Information 25X1

In November 1953, the Heller Kaserne in Beeskow was occupied no longer to capacity by troops wearing red-bordered black epaulets, mostly with artillery and, a few, with motor transport insignia. Although all windows of the installation were fully lighted at dusk, the number of troops seen in the barracks area and the town had decreased. Motor vehicles seen en 25X1

Comment. impression that the installation was not occupied to capacity is assumed to have resulted from the little training conducted during the month of November, as was observed in previous years. 25X1 25X1

the 468th Gds Mort Regt of the 7th Gds Tank Div could still be carried in the installation on 23 November. 25X1
